1.

One of Hollywood's best-known directors, Ang Lee(李安), was born in Pingtung, Taiwan, in 1954. After studying at the Taiwan Academy of Art and later  a graduate degree in the U.S., he tried to start a career  a movie director in Hollywood but was not successful. After six years of , things changed for the better when

he was chosen by two small film companies to direct movies in Chinese, one of which  for an Academy Award. This finally brought his  talent to the attention of Hollywood movie producers.

Since then, Ang Lee has directed a string of movies for Hollywood that have been widely . Their diversity reflects Ang's interest in making various types of movies. There is, , a common theme running through all of them, that is, social changes and the effects they have on families.
